**UP CUP: - (Junior, Sub-Jr. and Cadet)**

- 1. First 2 players will be treated as Team Members in UP CUP (Junior State). Additional entries in Junior State (UP Cup) will be restricted to 6 only** instead of 4 (viz. 2 team member and 6 additional = **8 max.** in each category.) Presently, in the **Junior State Table Tennis Championships (UP CUP)**, players representing District Teams are entitled for free boarding and lodging along with entry fee of Rs. 3000/- per district. However, it is has been decided that additional players participating in each event in the championships (UP CUP) will also be provided with complete Boarding and Lodging. Entry fee will be Rs.1500/- per event. Entry fee Rs. 1000/- will be charged per additional event.
- 2. Team members are allowed to play one event of higher category in UP CUP and ranked players are allowed to play in two events of higher category, but the District Association has to give the names, event-wise.**
- 3. It is often seen that some districts are not sending their team in the UP Cup. It has been decided that it should be made mandatory for all the districts to send their team in the UP cup. If they fail to send their team in UP Cup, UPTTA should impose a fine of Rs.3000/- to the concerned district.**
- 4. The players from such district, where no district Association exists or have failed to enter his team, will also be eligible to participate in the tournament as additional entry.**
- 5. Registration Fee of Rs. 500/- (Rupees five hundred only) per annum per player would be compulsory with immediate effect.**

Submission of required age documents, TTFI reserves the rights to independently investigate in visual the authenticity of the Age Certificate. Over age players will be liable for disciplinary action in case their certificates are found to be not genuine. It shall be the responsibility of District Association Secretaries that the above guidelines are strictly complied with and also to check the authenticity of Birth Certificate at the time of submission by a player. Without submission of above age documents no players will be allowed to participate in the tournament.

All the secretaries are requested to submit proof of age of their players immediately. Previously it was seen some districts did not send certificates despite repeated reminders. Last minutes submission will not be accepted this year.

All the ranked players in all categories (1 to 8) must confirm their entry in writing through their concerned districts in all the tournaments and send its copy to the UPTTA as per mandatory rules. However players can withdraw their names at least 5 days before the tournament, otherwise 60 points would be deducted from their accrued points.

As per practice, the District Association sends entry in the tournaments, but unfortunately, most of the time some players do not turn up for the tournament. As a result the Host Association faces financial loss for booking Hotels and their other arrangements also go in vain. Thus, it has been decided that the unranked players who do not turn up should be barred for the next tournament and District Association will have to bear the entry fee on their part.

It has been noticed that the units do not send their entries on time and are late in arriving at the venue of the tournament which results in delay of the matches and re-draw of the fixtures etc. This practice is being repeated more often in every tournament. It is therefore advised to all the units/players to submit their entries positively before the last date of the entries and a copy of which to be sent to the undersigned. The host/chief referee will entertain no last minute entry. The matches will commence from 11.00 A.M. Players from every district can participate only in two events.
