- ❖ All the secretaries are requested to submit age certificate of their players immediately. Previous year it was seen some districts did not send certificates despite repeated reminders. **Last minutes submission will not be accepted this year.**
- ❖ **All the ranked players in all categories (1 to 8) must confirm their entry in writing through their concerned districts in all the tournaments and send its copy to the UPTTA as per mandatory rules. However players can withdraw their names at least 5 days before the tournament, otherwise 60 points would be deducted from their accrued points.**

It has been noticed that the units do not send their entries on time and are late in arriving at the venue of the tournament which results in delay of the matches and re-draw of the fixtures etc. This practice is often being repeated in every tournament. It is therefore advised to all the units/players to submit their entries positively before the last date of the entries and a copy of which to be sent to the undersigned. The host/chief referee will entertain no last minute entry. The matches will commence from 11.00 A.M. The Cadet and Sub Junior players will be eligible to play in the one higher category open events. For example Cadet Players will automatically be allowed to play in the Sub Juniors, like wise Sub Juniors in juniors.
